THE RITE BULLETIN

**From The Personal Representative
Don Munks, 33°**

As we are coming to the end of our business year with the “Cap n Ring” Ceremony which will be happening on Monday, June 6, 2022.

I want to take this opportunity to thank all of my Brothers and Sisters for their devotion, hard work, and commitment to our Everett Valley Scottish Rite. It takes a team to be successful and yes, we have had situations, schedules, and difficulties to overcome, however, we have managed. We have lost good Brothers and Sisters who were mainstays in the past but we continually move forward. But let’s remember the past and learn from what we have done because the past teaches us what can happen in the future.

Congratulations to our newest 32nd Degree Scottish Rite Masons, Howard Schoen, Mark Valencia, Ray Verschuyt, and Brian Wheeler. It has been my honor to see these new Brothers dedication and enthusiasm in becoming Scottish Rite Masons. Want to thank David Augustson, David Trader, Jason Finch, and Jim Hamlin for all of their work in putting the degrees together and seeing that they were completed in exemplary fashion. Also a thank

you to the degree masters for putting the degree teams together and to Terry Grove for keeping after everyone to get it done! A big thank you to Allen Lowe for all of the lighting, sound, and graphic work. And a special thank you to Alice for doing a fantastic job in preparing our meals.

Hope to see everyone at the “Cap n Ring” ceremony as I know our new members and their families will be thrilled with a full house of Valley members.

Please stay healthy and safe until the next time we are able to meet in person.

Fraternally,
Don

Due to impact of Covid-19; Delta, Omicron and now BA-2 we as a fraternal organization have had to make many adjustments to our meeting schedules. We have had to cancel or postpone meetings, degrees and events. One thing that has remained constant is the communication we direct to you via e-mail, and or computer – or the internet – your Monthly newsletter entitled Valley of Everett – Scottish Rite Bulletin.

Brethren it is becoming more and more important to have your membership records up to date. And this is something that you may do yourself!! If you will log in on the Supreme Council Web site at <http://www.scottishrite.org/> and then place your cursor on “Scottish Rite Masons”. That will open a drop down menu where you will find at the bottom a listing to “Update your information.” Place your cursor on “Update your information” and click once with the left mouse button and then follow the directions. We cannot emphasize enough the necessity of having your membership information correct. You would not believe it –

but we have heard complaints from numerous members that they do not know what is going on. The calendar lists all known activities and meetings in Districts 2, 8 and 9. All you need to do is read it to determine what is going on or if you can't figure it out is call or contact us.

Matthew 7:7-8 - “Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you”

We recognize that some of you do not have a computer or internet access. But, you do have access to me at my home phone of 425-610-4561 or e-mail me at terrygrove50@yahoo.com. You can also visit our website at everettvalleysr.org to see the updated calendar, contact information and prior newsletters. Call me and together we can update your member information.

32nd Degree— Master of the Royal Select

Brethren on Monday, May 2nd, 2022, the Consistory for the Valley of Everett will be performing the 32nd degree. There will be a 6:30 PM Buffet dinner at a cost of \$15.00.

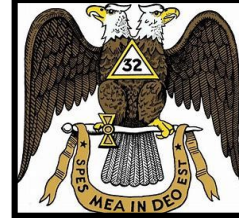

32° - Master of the Royal Secret

The lessons taught in this degree are that genuine brotherhood requires mutual regard, opinion, esteem and charity. We always look for the good in all and make allowances for other's shortcomings. We trust the Supreme Architect to lead us to friendship, morality and brotherly love. The apron of this degree is white, lined in black, with a double-headed eagle and a plan of the Camp of the Princes. The jewel worn is a golden Teutonic Cross. In the center are the letters XXXII, surrounded by a green wreath. The cap of a Master of the Royal Secret is black silk with a black band trimmed in gold. In the center front is a double-headed eagle emblem with a rayed equilateral triangle above in gold. The triangle is red, has 32° in its center and is trimmed with gold. The duties are: a Soldier of the Light seeks truth and knowledge; a Soldier of Freedom demands for the people free vote and voice and attains freedom of voice, vote and opinion for himself; a Soldier of the True Religion combats spiritual tyranny with reason and truth; a Soldier of the People encourages men to be self-reliant and independent; a Soldier of Scottish Rite Masonry is zealous and ardent in the performance of his duties to God, his country, his family, his brethren and himself.

This will be our last degree to be performed this calendar year. So Brethren of this Valley and the Brethren elsewhere, please mark your calendars and plan on joining us for this 32nd degree on Monday, May 2nd, 2022 at the Everett Scottish Rite Center.

The History of Freemasons For the Month of May

May 5— In 1904 Bro. Denton "Cy" Young pitched baseball's first perfect game, not allowing a single opposition player to reach first base. Bro. Young's outstanding performance led the Boston Americans in a 3-0- victory over Philadelphia in the American League. The Cy Young Award for Pitching was named in his honor He was a member of Mystic Tie Lodge 194, Urichsville, OH, He died November 4, 1955, and was buried with his Masonic apron

May 8— In 1884 at Lamar, MO was born Bro. Harry S Truman who was to become the 33rd President of the US. succeeding to that office on the death of Bro. Franklin Delano Roosevelt, April 12, 1945. He served until January 20 , 1953. Bro. Truman was the last of nine US Presidents who did not attend college. His birthday is a holiday in Missouri. He was raised March 18, 1909 in Belton Lodge No. 450, Grandview, MO. The following year he became Junior Warden but when Belton Lodge separated to form a new Lodge, Grandview 618, Bro. Truman was made the first Master. After World War I he returned to become District Deputy Grand Lecturer and District Deputy Grand Master of the 59th Masonic District. In 1930 he became Grand Pursuant. In September, 1940, Grand Master of the Grand Lodge of Missouri, and a few weeks later, US Senator from Missouri. Bro. Truman died at Kansas City, MO. December 26, 1972.

May 12—In 1932 the body of Bro. Charles Lindbergh's son was found. Charles Jr. was 20 months old when he was kidnapped from the Lindbergh's home in New Jersey more than two months earlier. Lindbergh and his wife Anne had paid \$50,000 in ransom. The child was found dead in the woods near the house. A two year hunt for the murderer ensued. Arrested and charged was 35-year-old Bronx carpenter Bruno Richard Hauptmann. The trial that followed created a world-wide sensation ending with Hauptman's execution in the electric chair.

May 14—n 1897, Bro. John Philip Sousa's march, "The Stars and Stripes Forever" was performed for the first time at Philadelphia, PA. The occasion was the unveiling of a statue of Bro. George Washington and US President and Bro. William McKinley was present. In 1997, the US Postal Service issued a stamp commemorating the 100th anniversary of the premiere of the stirring march. Bro. Sousa probably had a greater influence on martial music than any other composer or band leader. In 1985, a bill was introduced in Congress to make "The Stars and Stripes Forever" the official national march of the United States. He was a member of Hiram Lodge No. 10, Washington, DC, a member of Eureka Chapter No. 4, (RAM), Columbia Commandery No. 2 (K/T), and a member of the Almas Shrine Temple, all of Washington, DC. At the time of his death he had been a Mason more than 50 years. Masonic services were conducted by his lodge at the Congressional Cemetery after he died March 6, 1932.

May 20— In 1927, Bro. Charles Lindbergh, barely 25 years old, took off from Roosevelt Field in Long Island, NY, aboard the Spirit of St. Louis to begin his historic solo flight to France. 3,600 miles and 33 and a half hours later he descended quietly onto a runway at Le Bourget Field in Paris. :Well, I made it," said the quiet Midwesterner before he was mobbed and carried off by an ecstatic crowd gathered to greet him. The lanky flier won a hotly contested \$25,000-prize for his non-stop effort but seemed surprised by the worldwide adulation his flight generated. His main goal, he said, was to further aviation. Bro. Lindbergh was raised at Keystone Lodge No. 243, St. Louis, MO. He was also a member of St. Louis Chapter No. 33, National Sojourners, and of the Scios of San Diego, CA. On the flight to Paris he wore the square and compasses on his jacket as a good luck charm, and his plane also bore a Masonic tag from his Lodge. He died in 1974.

May 30—In 1922 Chief Justice and Bro. William Howard Taft. dedicated the Lincoln Memorial in Washington, D.C. Bro. Taft had been the 27th President of the US. He was made a Mason "at sight" on June 18, 1909, by Grand Master Charles S. Hoskinson. He became affiliated with Kilwinning Lodge No. 356 on April 14, at Cincinnati, OH, then made Honorary member of Crescent Lodge No. 25, Cedar Rapids, IA.

On the Lighter Side of Life

"Noah And Today's Ark"

The Lord spoke to Noah and said, "Noah, in six months I am going to make It rain until the whole world is covered with water and all the evil things Are destroyed. But, I want to save a few good people and two of every living thing on the planet. I am ordering you to build an ark." And, in a flash of lightning, he delivered the specifications for the ark.

OK", Noah said, trembling with fear and fumbling with the blue-prints, "I'm your man." "Six months and it starts to rain," thundered the Lord. "You better have my ark completed or learn to swim for a long, long time!" Six months passed, the sky begins to cloud up, and the rain begins to fall In torrents. The Lord looked down and saw Noah sitting in his yard, weeping, and there was no ark.

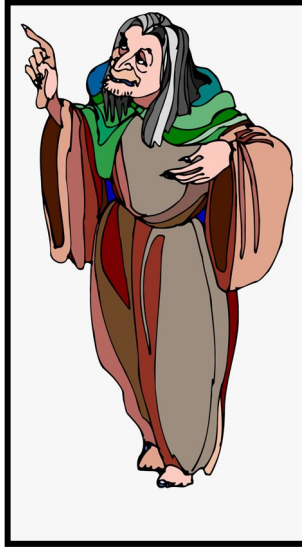

"Noah!" shouted the Lord, "where's My ark?"

"Lord, please forgive me!" begged Noah. "I did my best, but there were some big problems. First, I had to get a building permit for the ark's construction, but your plans did not meet their code. So I had to hire an engineer to redo the plans, only to get into a long argument with him about whether to include a fire-sprinkler system."

"My neighbors objected, claiming that I was violating zoning ordinances by building the ark in my front yard, so I had to get a variance from the city planning board."

"Then, I had a big problem getting enough wood for the ark, because there was a ban on cutting trees to save the spotted owl. I tried to convince the environmentalists and the U.S. Fish and Wildlife Service that I needed the wood to save the owls, but they wouldn't let me catch them, so no owls."

"Next, I started gathering up the animals but

got sued by an animal rights group that objected to me taking along only two of each kind." "Just when the suit got dismissed, the EPA notified me that I couldn't complete the ark without filing an environmental impact statement on your proposed flood. They didn't take kindly to the idea that they had no jurisdiction over the conduct of a Supreme Being."

"Then, the Corps of Engineers wanted a map of the proposed flood plain. I sent them a globe!"

"Right now, I'm still trying to resolve a complaint with the Equal Opportunities Commission over how many minorities I'm supposed to hire."

"The IRS has seized all my assets claiming that I am trying to leave the country, and I just got a notice from the state that I owe some kind of use tax. Really, I don't think I can finish the ark in less than five years."

With that, the sky cleared, the sun began to shine, and a rainbow arched across the sky. Noah looked up and smiled. "You mean you are not going to destroy the world?" he asked hopefully.

"No," said the Lord, "the government already has."

A lesson worth learning

Memorial Day, May 30, 2022

Memorial Day is a day of remembrance for those who perished while serving in the military, a day to honor the soldiers who died while defending America. Our three day weekend in May is a wonderful time to get together with friends and family. To most of us, Memorial weekend means no school/work and an extra day off.

Memorial Day is so much more than a day off to have fun. Most students do not really even understand why they get school off; a lot of adult use this time for cook-outs or parties.

Memorial Day is a day where we, as Americans, should honor our fallen soldiers. Hardly anyone actually honors the soldiers by going to the parades/ceremonies in their communities. We owe it to the dead to honor their memory. The people who died for our ideals and for their values were ordinary men and women who left the safety of their homes to fight to ensure Justice and protect our country. Brave individuals gave their time, strength, and effort to protect our country and all that it stands for.

In doing so, countless men and women who were treasured by many, lost their lives. Their hard work and sacrifice for our nation is sometimes taken for granted: the heroic men and women who have died fighting for our freedoms must be remembered. We take for granted their sacrifices; we should take effort in reminding ourselves of the individuals who lost their lives for us. Memorial Day is a day to honor and thank all the American soldiers who have sacrificed their lives.

As Americans, we should show respect for the fallen and honor them for their courageous acts of bravery. Although we may not realize it, freedom is not free. Freedom comes with a huge price, sometimes that price being life. It is not easy to be willing to sacrifice your own life for not just your own rights, but for the

rights of a whole nation. Memorial Day is not a day to have fun and party, but a special time to remember those who showed such devotion to our country to give up their lives for it, a time to remember these heroes. Our dedicated soldiers deserved to be remembered.

Our dedicated military force is the reason why we are able to stand here today with the freedoms we have, and why we are able to live with so many liberties. Our rights should never be taken for granted; we should be thankful for those who have paid the price for them. We should give thanks to all the heroes for their sacrifices, spreading gratitude. Memorial Day should be a day to reflect and be grateful. We can express our gratitude by attending local parades or Memorial Day events and pray for the families of the fallen soldiers to really understand the sacrifices they have made for us and our country.

FREEDOM FROM ARROGANCE

By Dewey Wollstein, 32°, KCCH

Along with the current discussions of Freedom, there is one form which, if obtained, will give more happiness than all the others which are offered in the name of Security, a word that we have come to associate with our most precious heritage, but which must never be confused with such golden words as Freedom and Liberty.

This form of Freedom is "Freedom from Arrogance." No one can grant it. It must be achieved by the individual through an understanding of self, and a desire for self-improvement. We must then see ourselves in relation to all society.

Arrogance is a false shield. We use it foolishly to hide something of ourselves, yet it only serves as a

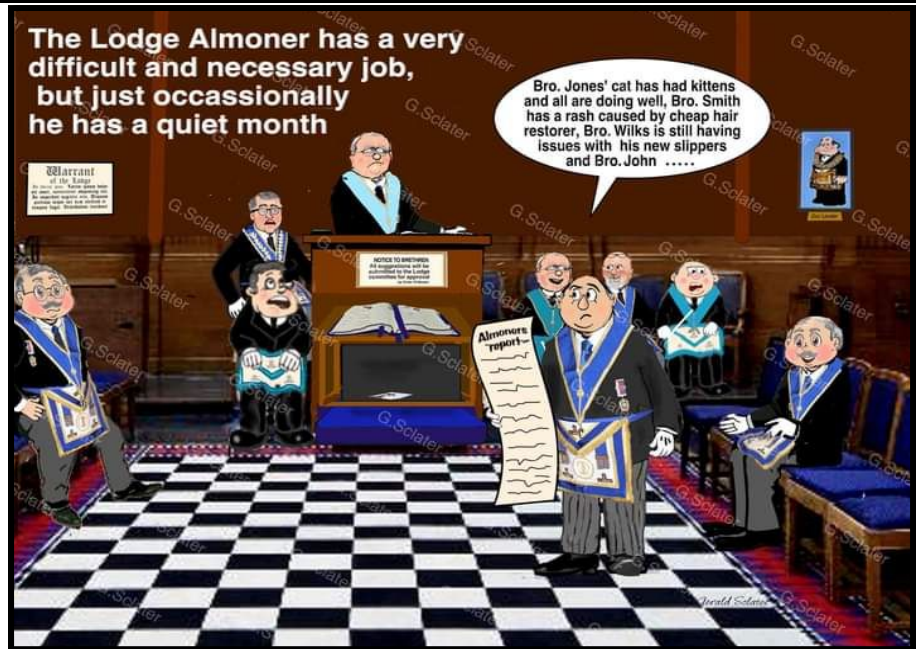

crystal through which that very part of us becomes visible. Condescension and inferiority are no part of humility. Humility is the attribute of one who dwells neither on his perfection nor his imperfections. Humility is the art of being natural, of being kind, of being considerate of others. Humility is honesty. Humility makes brotherhood a reality through the understanding of our common faults.

Our Masonic Apron teaches us humility. Let us study that lesson of the Apron in order to become "properly clothed."

One who attains Freedom from Arrogance is in truth Free.

May The Force Be With You
